Privacy notice for employees

Under data protection law, individuals have a right to be informed about how the federation or school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our school.

We, the White Horse Federation, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Mark Weller (see 'Contact us' below).

The personal data we hold

We process data relating to those we employ, or otherwise engage, to work at our school. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Contact details
- Date of birth, marital status and gender
- Next of kin and emergency contact numbers
- Salary, annual leave, pension and benefits information
- Bank account details, payroll records, National Insurance number and tax status information
- Recruitment information, including copies of right to work documentation, references and other information included in a CV or cover letter or as part of the application process
- Qualifications and employment records, including work history, job titles, working hours, training records and professional memberships
- Performance information
- Outcomes of any disciplinary and/or grievance procedures
- Absence data
- Copy of driving licence
- Photographs
- CCTV footage
- Data about your use of the school's information and communications system

We may also collect, store and use information about you that falls into "special categories" of more sensitive personal data. This includes information about (where applicable):

- Race, ethnicity, religious beliefs, sexual orientation and political opinions
- Trade union membership
- Health, including any medical conditions, and sickness records

Why we use this data

The purpose of processing this data is to help us run the federation and schools, including to:

- Enable you to be paid
- Facilitate safe recruitment, as part of our safeguarding obligations towards pupils
- Support effective performance management
- Inform our recruitment and retention policies
- Allow better financial modelling and planning
- Enable ethnicity and disability monitoring
- Improve the management of workforce data across the sector
- Support the work of the School Teachers' Review Body

Our lawful basis for using this data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Fulfil a contract we have entered into with you
- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)
- We have legitimate interests in processing the data – for example, where:
 - Direct marketing is required to promote services provided by the federation or school
 - Direct marketing from local charities or non-profitable organisations about upcoming events

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and consent can be withdrawn at anytime by completing a request form found on <https://gdpr.twhf.org.uk>.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the federations / school's use of your data.

Collecting this information

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data

We create and maintain an employment file for each staff member. The information contained in this file is kept secure and is only used for purposes directly relevant to your employment.

Once your employment with us has ended, we will retain this file and delete the information in it in accordance with our retention guidelines that can be found on the IT Data Protection Policy.

Data sharing

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law) we may share personal information about you with:

- Our local authority – to meet our legal obligations to share certain information with it, such as safeguarding concerns and [maintained schools only] information about headteacher performance and staff dismissals
- The Department for Education
- Your family or representatives
- Educators and examining bodies
- Our regulator [specify as appropriate e.g. Ofsted, Independent Schools Inspectorate]
- Suppliers and service providers – to enable them to provide the service we have contracted them for, such as payroll
- Financial organisations
- Central and local government
- Our auditors
- Survey and research organisations once consent has been obtained
- Trade unions and associations

- Health authorities

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.
