

## ADDITION – ACTIVITY FOUR

**Learning Objective:** To find and represent the addition facts of numbers within 20.

Remember, it's important to try your best and it isn't a requirement to complete every part of the sheet.

**Can You Explain It?** Are the Part-Part Whole Models correct or incorrect? Use your understanding from Session Two to solve the problems. Tick if they are correct. If you spot any that are incorrect, can you correct them?
